

- 
- Architectural elevation drawing of a building facade. The drawing shows a two-story structure with a grey brick lower level and an orange upper level. The ground level is marked with a hatched pattern. The facade features several windows and doors. On the left, there are two small square windows at -1.49m and two more at -2.08m. In the center, there are three tall, narrow windows at +1.61m, a door at +1.61m, and a small square window at +2.77m. On the right, there are two more small square windows at -1.49m and two more at -2.08m. The roofline is marked with +6.42m. The drawing includes various elevation markers and a scale bar.
